

# JOSEPH ABRAHAMIAN

Las Vegas, NV | 702.979.8459 | [abrahamianj1000@gmail.com](mailto:abrahamianj1000@gmail.com) | [Portfolio](#)

## Objective

---

Full stack Web Developer focused on creating highly maintainable and scalable web applications attempting to break into the industry. Looking for a fast-paced company that can allow me to learn and grow with them. I am a hard-working individual and a team player. I am dependable, have good communication skills, and excel above what's normally expected of me every day.

## Education

---

<b>Western Governors University</b>	<b>2025(EXPECTED)</b>
Major: BS - Computer Science	
<b>College of Southern Nevada</b>	<b>2023(COMPLETED)</b>
Minor: Business Administration	

## Skills & abilities

---

- **Languages:** HTML, CSS, JavaScript, TypeScript, C#
- **Frameworks/Libraries:** Express / Node.js, React, Mongoose
- **Database:** PostgreSQL

## Projects

---

### Disney+ Clone

GitHub: <https://github.com/jabrahamian/disneyplus>

- **Technologies Used:** ReactJS, React Router Dom, Styled Components, Redux, Firebase
- Designed and developed a visually stunning Disney + clone app.
- A beautiful carousel will help a user view the latest movies available.
- The app also features different entertainment categories to suit every taste.
- It is a responsive web application that should serve various screen sizes.

## Additional Experience

---

<b>Property Management Assistance</b>	<b>2022 - Present</b>
<ul style="list-style-type: none"><li>• Working part-time for family managing their properties</li><li>• Collecting monthly rent and paying all necessary bills such as loan, escrow, HOA, etc...</li></ul>	

- Responding to calls regarding repairs.
- Assigning plumbers, electricians, handymen to head over to property and perform necessary repair.
- Confirmed the completion of work and pay accordingly.

#### **U.S. Army | Healthcare Specialist | Combat Medic**

**2017 - 2021**

- Managed the front desk of a clinic where I checked in patients and made appointments both in person and over the phone.
- Very proficient in all Microsoft office programs.
- Managed insurance billing as well as the cash drawer at the front desk.
- Ordered, stored, catalogued, safeguarded, and distributed medical supplies, equipment, and pharmaceutical supplies.
- Conducted technical and administrative medical assistance supporting the mission and functions of field units.

#### **Dillard's | Sales Associate**

**2017 - 2017**

- Helped customers find specific products, answered questions, and gave advice on merchandise.
- Observed company return policy when processing refunds, including inspection of products for wear and tear.
- Exceeded sales numbers for the company's monthly sale quota every month consistently.
- Assisted other departments wherever help was needed and stayed versatile throughout employment.

### **Languages**

---

- English – Fluent in speaking and writing.
- Armenian – Fluent in speaking and writing.

### **Volunteer Experience**

---

- Rebel Game Development
  - Rebel Game Dev is a club at UNLV which I volunteer weekly for. I currently serve as the treasurer and manage all financial operations in relation to club operations. On top of this, I take part in monthly Game Jams where me and other club members contest
